THALES
Building a future we can all trust

Cyber Meet-Up 2026
Conference Schedule

Registration and Welcome Coffee

09:30 - 09:45	Welcome by Geoffrey Lucas and David Rio by Thales	Strategic Stage
09:45 - 10:15	Autonomous SOC: How AI Transforms Cyber Resilience and Business Risk by Google and Thales	Strategic Stage
10:15 - 10:45	CortAIx by Thales - Bridging AI and Cybersecurity: From Research to Operational Cybersecurity by Thales	Strategic Stage
10:50 - 11:10	The Vulnerability Explosion: How to Keep Up When AI Accelerates Discovery by TrendAI	Tech Stage

Coffee Break

11:30 - 12:00	Roundtable: How Frontier Models Turn Every Vulnerability into a Potential Zero-Day - Moving from Reaction to Resilience by Thales and Customers	Strategic Stage
12:00 - 12:30	Emerging Threats and Agentic AI: Staying in Control Before the Rebellion by Thales	Strategic Stage
12:35 - 12:55	Qualys Risk Operation Center (ROC): From Exposure to Elimination in an AI-Driven World by Qualys	Tech Stage

Lunch and Networking

14:00 - 14:30	Navigating the PQC Migration Journey: Why Is It Critical Now, and What Are the First Concrete Steps Organisations Should Take to Begin? by Thales	Strategic Stage
14:30 - 15:00	The Devil Is in the Payloads: The Gruelling Journey of Implementing a File Transfers Feature by Thales	Strategic Stage
15:00 - 15:30	I Promised the Board This AI Was Secure: How to Actually Make it True by Thales	Strategic Stage
15:35 - 15:55	I Know What Your Employees Did with AI Last Summer: Confessions of a CISO by Netskope	Tech Stage

Coffee Break

16:25 - 16:45	S3NS in Action: Securing Data and Operations with PREMI3NS, CRYPT3NS, and Managed Cyber Services by S3NS (Thales)	Strategic Stage
16:45 - 17:15	Stop Chasing Indicators: Creating Enterprise Preemptive Cyber Defense by SilentPush and Thales	Strategic Stage
17:20 - 17:40	From Detection to Decision. Why the Next Era of Cybersecurity Isn't About Seeing More, It's About Action Right! by Gatewatcher	Tech Stage
17:40 - 18:00	Defending Against Legitimate Tools: Living Off the Land, Fileless... How to Protect Yourself When Attackers Reuse Your Own Tools? by HarfangLab	Tech Stage

Walking Dinner and Networking
